

Module – EU Environmental Policies and Law (POLLEN)

Tuesday April 11, 2023 – Saturday April 22, 2023 – POLLEN Program

**Active Learning
Forum (ALF-10h)**

One month before the POLLEN Module, each participant will receive a reading assignment and will be required to post a summary of it on the ALF. Participants will also be required to actively interact with other participants throughout the Module. The Research Officer will be automatically informed when new messages are posted on the ALF and will be in charge of monitoring what is posted and of maintaining the interest and motivation of all participants in lively discussions.

Policy Brief (20h)	It will consist of a concise summary of a particular issue containing up to 4 pages or 2500 words. It will give balanced information for policymakers and will have an attractive design and may have one or more figures. Participants will be asked to use the knowledge and skills gained during the Module to draft an original and coherent policy brief. They have to be submitted 6 weeks after My POLLEN Talks. The best briefs will be posted online.
